

Rangelands Carbon Workshop

Join us for the Rangelands Carbon Workshop in Cobar, where we will cover different aspects of carbon farming including emission reduction and carbon sequestration potential in soils for Western NSW. This is a great opportunity for you to ask questions and further your knowledge about carbon farming.

Learn about carbon farming and soil carbon from the experts:

- Carbon farming and environmental markets in Western NSW
John Gavin (Remarkable NRM)
- Organic matter and soil carbon
Karl Andersson (NSW Department of Primary Industries)
- Rangelands soil carbon data
Rob Crossley (CarbonLink)
- Rangelands rehabilitation techniques
Paul Theakston (Western Local Land Services)
- Developing a farm carbon account
Susan Orgill (Select Carbon) & Andrew Mosely 'Etiwanda'
- On-Farm Carbon Advice Initiative
Clare Edwards and Lisa McFadyen (NSW Department of Primary Industries)
- Update on emerging natural capital markets
(NSW Local Land Services)
- Followed by a speaker panel session
