

Rangelands Living Skin field day

Productive rangelands and resilient communities

Bokhara Plains, NSW

Friday 12 April 2024

Venue: Bokhara Plains,
34km north on Goodooga Rd
Brewarrina, NSW

Time: 8.30am – 4.00pm
Followed by dinner and drinks

RSVP: by 10 April 2024
(For catering purposes)

You're invited to join the Rangelands Living Skin project team for a field day at Bokhara Plains.

Key topics of the day will include:

- **Rangelands Living Skin Project key findings**
Visit the trial sites and hear about the results of the project
- **Importance of cattle genetics in rangelands**
Developing and managing for grass-based efficiency (*Kate Usmar – PCA Bulls*)
- **Productive sheep in rangelands**
Genetics program for functional, easy-care rams in western NSW (*Richie Steele – Outback MPM*)

- **Panel session of young rangeland enthusiasts**
Discuss ideas and opportunities to encourage the next generation

The goal of the day is to encourage discussion and positive hope in the future. Don't miss out on this opportunity to be part of the conversation!
