It was a larger and mixed quality yarding. Lamb consignments included a fair portion of young lambs but most of these showed dryness in the wool with increased levels of seed infestation. There was a good run of Dorper lambs and these provided the best finished lots. A few extra buyers produced a generally dearer market of around \$3 to \$4/head.

Restockers were also active and paid from \$78 to \$105/head for lambs between 12kg and 16kg cwt. Light processing lots weighing 16kg to 18kg cwt made \$89 to \$100, while trade weights ranged from \$96 to \$122/head. A small number of heavy and extra heavy lambs made from \$125 to \$139/head for most of the slaughter lots to average 520c to 560c, with an odd sale up to 600c/kg cwt.

It was also a generally stronger mutton market in a generally good quality offering that included some larger runs of Merino wethers. Medium and heavy ewes made from \$62 to \$100, while most of the merino wethers ranged from \$78 to \$118/head. Most of the mutton averaged 330c to 390c/kg cwt.
