### Amendment Advice 2/2014 – 26<sup>th</sup> March 2014

**TO: All registered Meat Standards Australia (MSA) agents**

***ATTENTION: MSA Coordinator, Head of livestock sales***

It is a requirement of a Meat Standards Australia (MSA) registered agent to adhere to the relevant sections of the current MSA Standards Manual for the sale of MSA eligible consignments of livestock.

MSA advises an amendment has been made to the MSA Standards. The MSA Standards have been reformatted into supply chain sections. The sections relevant to MSA agents include:

- Section 1 – Foreword and Introduction
- Section 5 – Livestock supply
- Section 6 – Saleyards
- Section 14 – MLA Privacy Policy

Registered agents will have immediate access to the revised documents via the MSA beef and MSA sheepmeat page of the Meat Standards Australia website, [www.mla.com.au/msa](http://www.mla.com.au/msa) or through the Members area.

MSA registered agents should note the changes to relevant sections of this publication and update any electronic or printed copies maintained on file. The revised Standards will be effective immediately.
