There was a reduction in numbers from a fortnight ago. The penning consisted of a well-presented offering of weaners, as well a very good selection of cows and calves. Included in the penning were drafts of PTIC cows. Competition included interest from the local area, Molong, Blayney and strong demand from southern areas for weaner heifers.

Light Angus steer weaners sold to \$1,470 with the heavier drafts making to \$1,760/head. A selection of Black Baldy steers made from \$1,400 to \$1,570 and a draft of Charolais steers sold from \$1,040 to \$1,530/head. Bos Indicus calves made from \$1,360 to \$1,490/head. Heifer weaners sold to a strong demand with Angus calves selling from \$1,160 to \$1530/head. Very good Bos Indicus heifers sold to \$1,390 with a selection of European and European cross heifers reaching a top of \$1,510/head.

A single pen of large frame, well-bred Charolais cows with big calves at foot sold to \$3,600/unit. The general run of cows and calves made from \$1,850 to \$2,300/unit. PTIC cows made from \$1,700 to \$2,300/head.
