

# You're invited

## Northern Tablelands Pastures Group

### Producer Demonstration Site: Restoring Pastures – Northern Tablelands

WHAT	Pasture Walk
WHEN	Monday 21 February 10am to 1pm
WHERE	Dundee Hall, River Rd, Dundee

MLA's Producer Demonstration Site (PDS) program supports producers to adapt, validate and demonstrate the business value of integrating new management practices/skills into their local farming systems.

### Overview of the Producer Demonstration Site

#### Are you planning to restore or renovate pastures on your farm?

The composition, performance and sustainability of many Northern Tablelands pastures has changed with the recent drought and subsequent high rainfall years. This pasture walk will help local producers assess options for management of African Love Grass and using corn as a fodder crop for weed control and making silage.

### What's on the agenda?

- Project update
- African Love Grass management options
- Making silage with corn for drought preparedness
- Weed control benefits of fodder cropping

**Bookings are essential as places are limited. Morning tea and lunch supplied.**

**For more information contact GLENRAC on 02 6732 3443 or 0427 325 901**

**RSVP: 18 Feb 2021 by email: [glenrac@glenrac.org.au](mailto:glenrac@glenrac.org.au) or phone**

- If you, or anyone you know, have been in contact with someone who has been asked to self-isolate or if you are feeling flu-like symptoms, please do not attend the Event.
- The Event will run in accordance with State and Federal Government restrictions and advice. Hand sanitiser will be provided, and social distancing will be required.
- Participants will be required to provide phone contact details to the Event organiser.

**This field day is funded by Meat & Livestock Australia with the support of Northern Tablelands Pasture Group, Northern Tablelands Local Land Services and GLENRAC.**
