

COONAMBLE

12th & 13th August 2025

Looking to build your business skills?

develop your financial knowledge and business understanding...

- + understand where your business is performing well and where it can be improved...
- + better understand how your decisions impact the bottom line of your business...
- + determine if your business can fund future growth, debt reduction, retirement and succession...
- + ensure everyone in your business is on the same page...

Join a group of like-minded producers at a Business EDGE workshop and equip yourself with improved business skills.

Access follow-up support to implement your learning when you get home.

What you'll learn

- ✓ What's driving profit in your business – and what's not
- ✓ How to set up your financial system to provide you with the information to help manage your business.
 - ✓ How to demystify your financial statements
- ✓ New infrastructure or equipment: which one will deliver the biggest bang for your buck?
- ✓ Funding for education, succession and retirement: how much is needed and what can your business fund?

More than 1700 producers have already attended Business EDGE.

Here's what a few of them had to say about it...

"Knowledge! Understanding! We have the ability to create key performance indicators with information we already have which creates a huge insight into our business"

Georgie

"Good kick in the ass to stay focused on key business KPIs"

Baden

"I will be able to make better business decisions, armed by data that will pay for the cost of the course many times over."

Mel

"All the 1% changes across beef business make maximum \$ changes"

Nathan

"Increased knowledge to help improve my business decisions"

Harry
