

Beef industry pasture and production day

Field day and research updates

Wednesday 14 June 2023

Meet at Kianga Memorial Hall

Corner of McArthur St and Young St,
Moura QLD, 4718

Time: 8.00am – 3.00pm AEST

Buses will travel to/from the hall to site. Lunch will be provided.

RSVP: 2 June 2023

This event is sponsored by Mort & Co., DLF Seeds and AGN-VET. Research is supported by Queensland DAF, AgForce, Applied Horticultural Research and Meat & Livestock Australia.

Join us for the latest insights on business, pasture and livestock management.

Speakers, presentations, Q&A and a field trip to Barry and Claire Hoare's property 'Narrawong', outside of Moura.

Event features:

- Paddock walk and pasture dieback ID
- Strategies for managing pastures, legumes and dieback
- Research updates on pasture dieback, including variety and management trials.

Learn about:

- Mort & Co. Fertilisers
- Predictor Livestock Management software (Mort & Co.)
- The latest spraying technologies (Nufarm).
