---

Join us for the Clermont BeefUp forum to hear about the latest in local and world-leading research and technologies for the northern beef industry.

- Gain insights on improving livestock, land, and business performance.
- Connect with other producers, advisors, and researchers.
- Hear about how new practices and technologies are being used on-farm in your region.
- Find out about the programs, tools, and resources available to you.

The Clermont BeefUp features:

- Market update from MLA
  - Industry update on FMD
  - Updates on carbon, parasites, weed management and more
  - Producers sharing practical and commercial insights
  - Interact with expert speakers, including leading producers, advisors, and researchers.
  - Many trade stands to visit
  - Dinner and networking drinks.
- 
- 
- A large, light pink arrow graphic pointing upwards, located at the bottom right of the page.
