- Pick up manure at every opportunity.
- Place hay in feeders and avoid feeding excessive amounts.
- Avoid water spillage in stalls.
- Regularly smooth out the bed with the aim of assisting drying.
- Consider using rubber matting for front half of bed.
- Do not dig out the wet patches.
- Do not disturb the bedding base.
- Keep the top of the bed loose.

- Experience has shown that a properly managed bed will last a full Show with little need for top up bedding, particularly with some classes of livestock.

Note: Use of bedding straw is not permitted in any cattle pavilions.

MSA REGISTRATION

Please remember to be MSA Eligible, **ALL** exhibitors must be MSA registered and exhibitors must supply the Society with an MSA Vendor Declaration for all animals.

MSA is a valuable asset to the Australian beef industry, providing opportunities to differentiate product in the market. Unlike existing industry description systems, MSA accurately predicts eating quality for individual beef muscles. For consumers, the Meat Standards Australia (MSA) graded logo is a trusted symbol of quality.

If you are not already registered for MSA, it is quick, easy and free. Follow the below steps:

1. Visit www.mla.com.au/msa and click on Producer Registration.
2. Enter your PIC (Property Identification Code) and LPA username and password. If unsure of your PIC or LPA details, please contact 1800 683 111 or email lpa@mla.com.au to retrieve your information.
3. Once details have been used to log in, please follow the prompts to complete the registration.

The following requirements also apply:

- Cattle must not have been mixed within 30 days of transport to the competition.
- Cattle must be on full feed and water prior to dispatch from the Showground.
- Exhibitors must complete an MSA Vendor Declaration form to accompany the National Vendor Declaration (see above website to order these forms).

If you require further information or assistance, please do not hesitate to contact the Society on (08) 8210 5211 or Meat Standards Australia on 1800 111 672.

NVD AND MSA FORMS MUST BE COMPLETED IN FULL INCLUDING SIGNED AND DATED. DATE AND TIME OF DISPATCH IS FROM THE HOME/PROPERTY WITH THE NVD DESTINATION THE ADELAIDE SHOWGROUND.

LOCKERS

Students under school supervision are not permitted to sleep in lockers.

Schools may apply for one locker only.

Lockers will be allocated by the Society. Please report to the Beef Cattle Supervisor's Office for your locker number.

SCANNOGRAMMING OF LED STEERS

All Schools are required to lead all their steers in the Grand Parade on Saturday 3 September.

Schools failing to parade all steers in their team may be disqualified from competition.

A sash will be awarded to the School that is judged for the best appearance and parading. This sash will be presented immediately after the Grand Parade.

SLAUGHTER OF LED STEERS

In an effort to reduce the number of dark cutters often caused by stress to animals the RA&HS Beef Cattle Committee will be loading steers for Teys Australia in the early hours of Monday morning. This will allow steers to relax and sleep following a full day of judging, parading, photos etc.

All exhibitors will be required to feed and water their animals after judging on the Sunday afternoon prior to packing up and leaving. It is also recommended that a small amount of hay is left in front of each steer.

Exhibitors will be required to tie their steers up with a halter supplied by the RA&HS by 6.00 pm.
