

MLA RESOURCES

Working in collaboration with the Australian Government and the wider red meat industry, MLA invests in initiatives that contribute to producer profitability, sustainability and global competitiveness www.mla.com.au

Resources:

- [MLA tools and calculators](#): To assist red meat producers in making decisions in their businesses.
- [Prices & Markets](#): Make informed decisions when selling your livestock.
- [Preparing for market](#): It is essential that producers understand the management practices that assist in maximising returns.
- [Extension, training and tools](#): Find out about workshops, programs and resources relevant to your livestock business.
- [Dealing with natural disasters](#): These resources and publications provide information and help for livestock producers dealing with natural disasters.
- [COVID-19 resources](#): MLA's COVID update and market insights hub containing market insights relating to COVID-19.
- [MLA's E-newsletters](#): To keep you informed about the latest red meat and livestock industry news, events, research and marketing.
- [MLA membership – join today](#): Membership is FREE to levy-paying livestock producers. Keep up-to-date on what your levies are delivering.
- [Feedback podcasts](#): Featuring stories, news, information and interviews about all things red meat.
- [MyMLA](#): A personalised online dashboard to access information you need to run your business.
- [Community programs](#): Community engagement, school education, event sponsorship and advocacy.

Online manuals to increase knowledge:

- [More beef from pastures manual](#): This manual draws on the latest R&D as well as the knowledge, skills and experience of producer advocates who helped write the seven modules.
- [More beef from pastures – Pastoral](#): This manual will help you achieve a sustainable (economic and environmental) increase in kilograms of beef produced per hectare through optimal management of the feedbase.
- [MLA Genetics Hub](#): A clear look at how better breeding values can help you accelerate your herd's or flock's productivity.
- [Making more from sheep](#): This manual covers subjects ranging from soils and pasture to wool and meat marketing, animal health, genetics and farm sustainability.
- [Give Goats a go](#): MLA's goat research, development and extension program
