# Reporting questionnaire

## Gender equality indicator 1: Gender composition of workforce

This indicator seeks information about the gender composition of relevant employers in a standardised format, to enable the aggregation of data across and within industries. The aggregated data in your workplace profile assists relevant employers in understanding the characteristics of their workforce, including in relation to occupational segregation, the position of women and men in management within their industry or sector, and patterns of potentially insecure employment.

**NB. IMPORTANT:**

- References to the Act mean the Workplace Gender Equality Act 2012.
- A formal 'policy' and/or 'formal strategy' in this questionnaire refers to formal policies and/or strategies that are either standalone or contained within another formal policy/formal strategy.
- Data provided in this reporting questionnaire covers the TOTAL reporting period from 1 April 2017 to 31 March 2018. (This differs from the workplace profile data which is taken at a point-in-time during the reporting period).
- Answers need to reflect ALL organisations covered in this report.
- If you select "NO, Insufficient resources/expertise" to any option, this may cover human or financial resources.

Reference 1.8 - Whilst there are set targets at Board and Executive level roles, MLA will always seek to appoint based on merit.

## Gender equality indicator 2: Gender composition of governing bodies

Gender composition of governing bodies is an indicator of gender equality at the highest level of organisational leadership and decision-making. This gender equality indicator seeks information on the representation of women and men on governing bodies. The term “governing body” in relation to a relevant employer is broad and depends on the nature of your organisation. It can mean the board of directors, trustees, committee of management, council or other governing authority of the employer.

- 2. The organisation(s) you are reporting on will have a governing body. In the Act, governing body is defined as “the board of directors, trustees, committee of management, council or other governing authority of the employer”. This question relates to the highest governing body for your Australian entity, even if it is located overseas.**

**2.1 Please answer the following questions relating to each governing body covered in this report.**

**Note: If this report covers more than one organisation, the questions below will be repeated for each organisation before proceeding to question 2.2.**

**If your organisation's governing body is the same as your parent entity's, you will need to add your organisation's name BUT the numerical details of your parent entity's governing body.**

**2.1a.1 Organisation name?**

Meat & Livestock Australia Limited (MLA)

**2.1b.1 How many Chairs on this governing body?**

	Female	Male
Number	1	0

**2.1c.1 How many other members are on this governing body (excluding the Chair/s)?**

	Female	Male
Number	1	6

**2.1d.1 Has a target been set to increase the representation of women on this governing body?**

- Yes
- No (you may specify why a target has not been set)
- Governing body/board has gender balance (e.g. 40% women/40% men/20% either)
  - Currently under development, please enter date this is due to be completed
  - Insufficient resources/expertise
  - Do not have control over governing body/board appointments (provide details why):
  - Not a priority
  - Other (provide details):  
 MLA takes into account the ASX Corporate Governance Principles and Recommendations and is committed to providing an environment which respects and promotes diversity. MLA Selection Committee considers skills based appointment as indicated on MLA's report to the Selection Committee which includes a section on Diversity.

**2.1g.1 Are you reporting on any other organisations in this report?**

- Yes
- No

**2.1a.2 Organisation name?**

Integrity Systems Company Limited (ISC)

**2.1b.2 How many Chairs on this governing body?**

	Female	Male
Number	0	1

**2.1c.2 How many other members are on this governing body (excluding the Chair/s)?**

	Female	Male
Number	2	5

**2.1d.2 Has a target been set to increase the representation of women on this governing body?**

- Yes
- No (you may specify why a target has not been set)
- Governing body/board has gender balance (e.g. 40% women/40% men/20% either)
  - Currently under development, please enter date this is due to be completed
  - Insufficient resources/expertise
  - Do not have control over governing body/board appointments (provide details why):
  - Not a priority
  - Other (provide details):  
Integrity Systems Company Limited (ISC) (previously National Livestock Identification System Limited) is a fully-owned subsidiary of Meat & Livestock Australia. The ISC Board is made up of the same 8 Directors that sit on the MLA Board which also includes MLA's Managing Director

**2.1g.2 Are you reporting on any other organisations in this report?**

- Yes
- No

**2.2 Do you have a formal selection policy and/or formal selection strategy for governing body members for ALL organisations covered in this report?**

- Yes (select all applicable answers)
- Policy
  - Strategy
- No (you may specify why no formal selection policy or formal selection strategy is in place)
- In place for some governing bodies
  - Currently under development, please enter date this is due to be completed
  - Insufficient resources/expertise
  - Do not have control over governing body appointments (provide details why)
  - Not a priority
  - Other (provide details):

**2.3 Does your organisation operate as a partnership structure (i.e. select NO if your organisation is an "incorporated" entity - Pty Ltd, Ltd or Inc; or an "unincorporated" entity)?**

- Yes
- No

**2.5 If your organisation would like to provide additional information relating to gender equality indicator 2, please do so below.**

## Gender equality indicator 3: Equal remuneration between women and men

Equal remuneration between women and men is a key component of improving women's economic security and progressing gender equality.

  - Other (provide details):

**4.2 If your organisation would like to provide additional information relating to gender equality indicator 3, please do so below:**

All roles (including Executive level & Board) are externally benchmark by Aon Hewitt annually. These also include newly created roles.

Aon Hewitt provides updated salary information every six months.

## Gender equality indicator 4: Flexible working and support for employees with family and caring responsibilities

This indicator will enable the collection and use of information from relevant employers about the availability and utility of employment terms, conditions and practices relating to flexible working arrangements for employees and to working arrangements supporting employees with family or caring responsibilities. One aim of this indicator is to improve the capacity of women and men to combine paid work and family or caring responsibilities through such arrangements. The achievement of this goal is fundamental to gender equality and to maximising Australia's skilled workforce.

In the last twelve months, we have reviewed a number of internal policies and procedures including:

- Diversity Policy
- Recruitment Policy and;

The Diversity Policy was revised and updated in February 2018 and outline how the company is committed to providing an environment which respects and promotes diversity. MLA recognises that a workforce which represents a diverse range of backgrounds, age, ethnicity and gender will enable MLA to provide an optimal service to its stakeholders.

MLA has a strong commitment to diversity which is embedded in its flexible work arrangements, parental leave policies and reflected in the diversity of its workforce. This policy was approved by the MLA Board.

The Recruitment Policy was also revised and updated in February 2018. This will be reviewed in a further twelve months.

For Australian based staff, over the last 12 months, the total number of female employees has remained unchanged at 55%.

As at 31 March 2018, there is a total of 62 line managers with people management responsibility. Of this total, 48% are female managing one or more direct reports.
