1 Introduction

The Meat Standard Australia (MSA) Standards Manual is divided into a number of sections. Each section is a standalone document that is issued and amended independently of each other section.

Australian Meat Industry Language and Standards Committee (AMILSC) are custodians of the Meat Standards Australia (MSA) Standards (refer to Section 1: Foreword and Introduction, page 3).

This section outlines the Licence and Trade Mark requirements for MSA.

All sections of the Meat Standard Australia (MSA) Standards Manual must be used collectively. Certain sections may not be applicable for a specific business, operation, facility or activity. It is the user’s responsibility to determine and justify why a sections does not apply.

1.1 Instructions for control of this document
This Standards Manual, available online from MSA, is a controlled document.

Updates to this Standard will occur from time to time. All printed and/or saved copies are uncontrolled and may not be the latest version.

1.2 Owner confirmation
The owner or controller, as registered with the Authorised Authority, shall be informed of any updates relating to the information contained in this Standard. Attached to any updates regarding this Standard will be a form for notification of changes to the owner or controller of the Standard.

1.3 Amendments and updates
Amendments to this standard will be issued by way of a formal amendment notification where required.

3 Licence

3.1 Application to Licence to use the MSA Trade Mark
Prior to use of the MSA Trade Mark the Enterprise must;
   a) Apply for and enter into an appropriate MSA License agreement; and
   b) Satisfy an Authorised Authority that the Enterprise will comply with these Standards.

3.2 Compliance with application / variation
The Enterprise must comply with all matters and operate in the manner specified in its Application.

If the scope of the Enterprise’s operations changes from that detailed in its Application, the Enterprise must give written notice to an Authorised Authority a minimum of 7 days prior to the changes taking effect. The Enterprise must ensure that its Quality Management System is amended to reflect these changes. These changes must be approved by an Authorised Authority prior them taking effect.

3.3 Notification of changes
All updates and new installations of the MSA Grading Software need to be approved by the Authorised Authority prior to use.

3.4 General
An Authorised Authority may notify the customers of a MSA Licensee of any non-conformance by that MSA Licensee.

The MSA Licensee shall use only approved descriptors of MSA Certified Product to identify eating quality on product labels and/or promotional material. The terms MSA Index, CMQ, CMQ4, boning group and/or boning run are not approved for use.

3.5 Reference Material
The MSA Licensee is required at all times to make available the following documents for reference by all relevant staff:
   a) The applicable sections of the MSA Standards and all amendments to them;
   b) All notifications which an Authorised Authority advises must be retained by the MSA Licensee;
   c) The Enterprise’s Quality Management System Manual and related records (if applicable)
   d) All MSA Development specifications (if applicable);
   e) All appendix documents to this Standards Manual; and
   f) All other documents which an Authorised Authority advises must be made available for reference.

3.6 Licence categories

3.6.1 Saleyards
Saleyards wishing to sell livestock eligible for MSA grading are required to be MSA Licensed.
3.6.2 Software development
Third party software developers and processors wishing to incorporate the MSA Grading Software into on-plant software systems are required to be licensed.

3.6.3 Processors
Processors wishing to process and supply MSA Certified Product are required to be licensed for use of MSA technology with Trade Mark.

3.6.4 Independent boning rooms / value adders
Independent Boning Rooms and Value Adders wishing to supply MSA Certified Product are required to be licensed.

3.6.5 Brand owners
Brand Owners wishing to supply MSA Certified Product are required to hold an appropriate MSA License.

3.6.6 End users
End Users wishing to identify MSA Certified Product, with the MSA Trade Mark, or supply MSA Certified Product to other MSA End Users are required to be licensed.

3.7 Trade Mark requirements
All use or intended use of the MSA Trade Mark and Standards, in relation to the identification of MSA Certified Product, must be in accordance with this MSA Standards Manual, the MSA Trade Mark Usage Guide and the MSA License Agreement.
