## Bendigo

18-19 June 2019

AGRICULTURE VICTORIA

### You're invited to attend the combined BetterBeef and BestWool/BestLamb Conference

Our annual conference will once again feature an impressive line-up of speakers. The program is designed to include a diverse range of topics delivered in a practical format relevant to your farming business.

#### Presentations include:

- *Running a profitable and sustainable beef enterprise* - Frank Archer, Landfall Angus, Tasmania
- *What does a fertile herd look like?* - Dr Shane Thomson, Holbrook Veterinary Centre
- *Beef farming in Australia: opportunities and barriers to entry* - Danny Thomas, CBRE Agribusiness
- *Integrating technology in a sheep production system* - Scott Nicholson, 2018 Nuffield Scholar, Stawell
- *From 100% to 130%: the NZ experience* - Paul Kenyon, Massey University, New Zealand
- *Building business resilience* - Greg and Jo Bear, Canary Island, Victoria
- *The value of grazing weeds* - Cam Nicholson, Nicon Rural Services
- *Beef producer panel sessions* – focussing on quality assurance and benchmarking.
