

Breeding EDGE Workshop

Charters Towers: 30-31 August + 6 September 2018

VENUE Conference Room, QDAF Office, 1-5 Prior St, Charters Towers
TIME 8:00am to 5:00pm

BREEDING EDGE IS A THREE-DAY WORKSHOP DESIGNED TO ASSIST PRODUCERS IMPROVE AND REFINE THEIR BREEDER HERD MANAGEMENT AND GENETIC IMPROVEMENT PLANS.

Participants will be able to develop or refine a breeding herd management plan using genetic and reproductive knowledge and technologies, to achieve desired production targets.

Attending this workshop will help you to:

- identify where the current breeder herd management program can be improved to reduce reproductive loss
- measure reproductive performance more accurately
- identify strategies and management to improve bull selection, retention, management and performance
- develop, or refine, a practical and achievable management plan for the breeding herd that will lead to higher productivity
- gain a thorough understanding of genetic improvement for both breeding cattle and turnoff cattle and develop breeding objectives to take your herd in a more profitable direction.

Prices (GST exclusive):

\$1,750 + GST / One person from a business

\$1,450 + GST / Two or more people from a business

Cost includes comprehensive set of Workshop Notes, Workbook, electronic files and other materials.

Check with your local catchment group for potential workshop subsidies

What you will learn:

- current herd performance – what measures matter most
