Friday 16 April 2021 9 am to 5 pm

'Buena Vista' Farm, Collie, NSW 2827

Sponsors

| TOPIC | SPEAKER |
|---|--|
| Goat production at Buena Vista – Paddock to Plate | Craig and Joanne Stewart, Buena Vista |
| Reducing kid loss | Gordon Refshauge, NSW DPI |
| Managing doe nutrition | Sue Street, Local Land Services |
| Visual assessment and goat handling | Craig and Joanne Stewart, Buena Vista |
| Genetics - Improving goat herds | Colin Ramsay, Dudauman Park Boer Goat Stud |
| Goat health and biosecurity on your farm | Sarah Maher, Local Land Services |
| Data-driven decision making | Trudie Atkinson, NSW DPI |
| Marketing | Joe Portelli, PT Lord Dakin and Associate |
| Panel Q&A | Facilitated by Joanne Stewart, Buena Vista |

Goatmeat producers are invited to attend this field day, hosted by Craig and Joanne Stewart, to discuss optimising production in your herd. The program includes presentations with various options to improve production, hands-on demonstrations and plenty of time for discussions with other goat producers.

Attendance is **FREE** - lunch provided - BYO chairs

Registration is essential and will be limited to 20 businesses – Book your spot today
