

GOULBURN - WEDNESDAY 16TH & THURSDAY 17TH MAY 2018 MLA BUSINESS EDGE

Business EDGE is a comprehensive 2-day workshop for owners & managers of grazing enterprises.

The workshop is designed to improve financial literacy & business skills.

Business EDGE workshops have been run across northern Australia since 2010 with almost 500 participants completing the course. This course has specific relevance to southern Australia, while still retaining all the key financial and business principles.

The course is taught on a case study basis to bring more meaning to the underlying principles. All the concepts are taught and discussed in a well-grounded practical example from the case study.

Delivered by John Francis, Director – Holmes Sackett.

What will you learn?

During the 2 days of Business EDGE you will acquire the knowledge and skills to...

- Determine if all the family needs and aspirations can be funded by the business
- Prepare and understand key financial information on your business
- Assess and manage agricultural business risk
- Understand and manage enterprise performance, including understanding what the key profit drivers are, how to influence them and what effect they have on overall business performance.

And much more ...

Comprehensive course notes are provided, along with decision support spreadsheet tools to help you apply the material to your business. Follow up is available to all participants.

FEEDBACK

"The course was very worthwhile & timely. It was the information 'gap' we were wanting to satisfy in our business."

"John provided great delivery, he was approachable, funny and not forceful of his opinions & he was interested in having a debate about topics that were challenged."

"We are now able to review our business and make valuable changes that will save us money and make our enterprise more profitable."

"John's extensive knowledge on agriculture and data made the course well worth it."
