

# Business EDGE

Know your business, grow your business

Business EDGE Young Guns workshops are for **up and coming livestock producers** who are ready to **build their skills and confidence** to manage a modern agricultural business.

## Workshop locations in 2020

Adelaide, SA (7–8 October)

To ensure the safety of participants, this event will run in accordance with State and Federal Government COVID-19 restrictions and advice.

The workshop includes an additional module on **long-term wealth creation**, a **Young Guns keynote speaker** and a **1:1 session to complete your Farm AgTech Adoption Plan**.

### What you'll learn

The fundamentals of **long-term wealth creation** and **equity building**

Understand **where your business is performing well** and **where it can be improved**

A way to **prioritise on-farm investment decisions**

Understand how **enterprise choice** and **performance affects business performance**

Understand what is required for **business entry** and **succession**

## Why attend

- Gain the **skills and confidence** to carry on the family business, start your own or step up in your role
- Learn from presenters who **understand grazing businesses**
- **Meet other producers** who are facing similar challenges as you
- Receive a **full set of course notes** and a **suite of decision support tools** to use at home
- **Money back guarantee** if you're not 100% satisfied the workshop has improved your business skills
- **Develop a Farm AgTech Adoption Plan** to enable you to **apply for the Livestock AgTech Adoption Rebate**

## Your investment

\$100 per participant thanks to the generous support of the Government of South Australia's Red Meat and Wool Growth Program (price excludes GST and is fully tax deductible).
