

CAPITALISE ON CARCASE

From Conception to Consumption

REGISTER NOW

The **Australian Limousin Breeders Society** is proud to host "*Capitalise on Carcase*" - a two day industry wide conference in Armidale, NSW, for all beef producers and industry stakeholders.

Gain tools, insights, inspiration and new ideas to increase your product return and market sales.

Presentations from leading industry experts will include breeding and selection for carcase quality and quantity, improving female fertility, best practice breeding and management systems, livestock handling solutions, through to the latest technology in the processing sector.

Armidale, NSW
24th & 25th May, 2019
