# Meet Your Peak – Cattle Australia

Samuel Martin

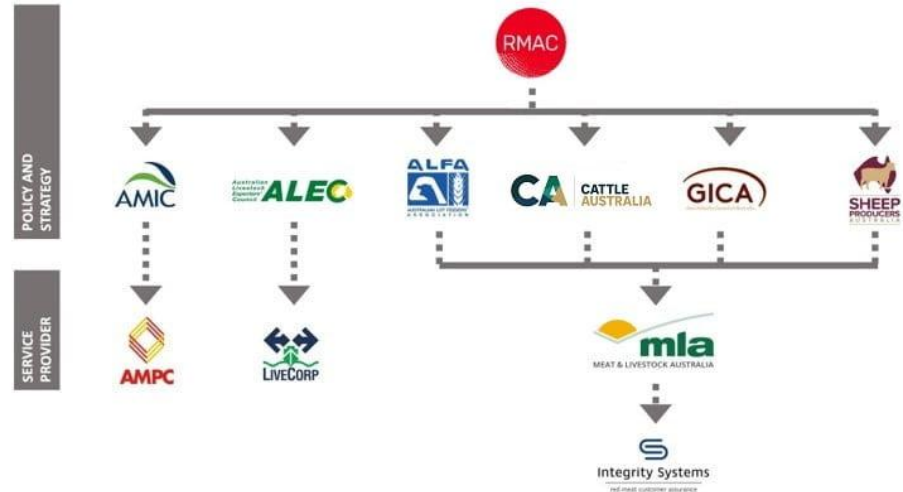

Cattle Australia Southern Extension Officer

## Who Is Cattle Australia?

Cattle Australia (CA) is the national peak body for the grass-fed cattle industry

CA aims to create business value for Australia's cattle producers in areas where they cannot succeed by working alone.

Our purpose is to be a powerful advocate representing the interests of cattle producers and beef lovers everywhere.

# Four Pillars of Focus

1. Biosecurity and animal welfare
2. Levy investment accountability and Government advocacy
3. The environment and sustainability
4. Trade and market access

# Review of the Cattle Transaction Levy

First time since 2009

Review committee has been established

Consultation starting in May 2026

Final report presented to industry in November 2026

# Structure of Cattle Australia

# Take home messages

- Cattle Australia (CA) is the national peak body for the grass-fed cattle industry, providing a visible, unified, and influential voice for producers.
- CA is leading the first review of the Cattle Transaction Levy since 2009
- CA is democratically structured so that every levy payer can be heard and to participate in CA decision making.
- We encourage all grass-fed beef producers, large and small, to become CA members so that we can represent you in ensuring the prosperity of the industry for current and future generations.
