

ALL THINGS RAMS

Tambellup: 25th August
Coorow: 8th September

Time: 1-5PM

AgPro Management is excited to bring you a workshop focused on ram selection, joining prep, and breeding your own rams.

Presenters are MLA's Genetics Project Manager, Caris Jones, & Ed Riggall, covering:

- Ram selection
- Understanding ASBV's & their accuracy
- DIY Ram Breeding— the mechanics of it and the benefits/costs both genetic & \$
- Ram Preparation
- We will also have time to discuss the season and strategies as we head towards summer
- Drinks /refreshments after

These are FREE events but please RSVP for catering purposes.
