

Producer Field Day - Dunkeld

Increasing productivity in sheep enterprises

Electronic Identification (EID) in your sheep enterprise

Agriculture Victoria invites you to attend an on-farm EID field day at Dunkeld Pastoral Company property at “Mt Sturgeon” at Dunkeld in South-West Victoria.

The day will focus on how a variety of industry participants are using EID and how you may be able to use it on your enterprise.

Discussions will include measuring and monitoring performance using individual animal EID, equipment required and decision support tools.

When: Thursday 24 May 2018

Time: Registration 8.30am, 9am start until 3pm

Catering: Morning tea and lunch provided

Where: “Mt Sturgeon” Woolshed 30 Dunkeld – Cavendish Rd, Dunkeld, Victoria 3294

Places are limited, so please register early at:
