

INSPIRE SUMMIT 2020

7-8 APRIL 2020 | CROWN CONVENTION CENTRE, PERTH
ADVANCED BUSINESS SKILLS FOR WA'S RURAL WOMEN

From 7-8 April 2020, Rural Edge (formerly PinGWA) are hosting their third **INSPIRE Summit**, at the Crown Convention Centre in Perth.

INSPIRE is for rural women who are highly involved in their farm business and are interested in increasing their own skills, capacity and confidence for the benefit of their business, their region and the wider industry.

INSPIRE strongly supports the agricultural industry's focus on sustainable businesses and growth. Well managed farm businesses in turn improve the economies of rural and regional areas. The skills required to run a farm business also transfer across to business and leadership skills for small communities and regional industries.

New technologies, efficient business practices and enhancing industry relationships bring opportunities. **INSPIRE** provides a forum for WA's rural women to develop their skills, build confidence, maximise opportunities and network with industry professionals.

Early Bird Registrations - Open from 20 October 2019
