

W.A.L.R.C

WA Livestock Research Council

Tuesday 23rd August 2016

Kojonup R&D Information Session

at Kojonup Golf Club
Blackwood Road, Kojonup

Registration 1.00 pm Start time 1.30pm

Topic	Speaker
Welcome & Introduction Hear about WALRC and the team and get an update on what Research & Development (R&D) priorities were put forward for WA red meat producers in 2015 for 2016/17.	Erin Gorter, WALRC Coordinator
MLA Update An overview of MLA's direction into the future will be given, along with an opportunity for questions regarding MLA activities and vision, for producers in WA.	Richard Norton, Managing Director, MLA
Methane There is some pretty exciting bits of methane research happening which is looking to have positive messages that will have a direct impact on meat production	Phil Vercoe, UWA
WA R&D issues workshop This session is your chance to tell us what R&D is important to you and your business. Come armed with ideas of what you would like to see worked on in your patch.	Erin Gorter
Afternoon Tea	
What's the latest on MLA grass-fed beef and sheepmeat research? MLA is focussed strongly on engaging with industry, so this is your chance to hear how some levies have been spent in research, development and adoption in the grass-fed beef and sheepmeat sector.	Richard Apps, Program Manager Genetics Implementation and Sheep R&D, MLA
Workshop continued	Erin Gorter
Closing remarks & evaluation	Erin Gorter
Sundowner Join us for a few drinks to round out the afternoon.	

Please **RSVP** your attendance to WALRC Secretariat on 0428 882 828 or eo@faceygroup.org.au by Tuesday 16th August for catering purposes.

For any queries, please contact the WALRC Coordinator, Erin Gorter on 0429 833 752 or eringorter@agvivo.com.au
