MAXIMISING YOUR RAMS' FERTILITY

Understanding and managing Ovine brucellosis

Do you fully understand *Ovine brucellosis* and how it can affect your flock's performance?
Have you had positive *Ovine brucellosis* tests and not sure what to do next?

Come along to a half day workshop, funded by Making More from Sheep and learn whether the soundness checks you are doing pre joining are adequate.

Presented by:

Dr Nigel Baum - Senior Veterinary Officer, Biosecurity SA, PIRSA Clare

Dr Jack Coffey - Mt Bryan Veterinary Services, Burra

Content will include:

- Ram management pre joining; breeding soundness checks including live hands on
- Understanding the epidemiology of *Ovine brucellosis*
- Dealing with positive *Ovine brucellosis* blood tests; developing a management plan going forward
