2018 MerinoLink Annual Conference Program

Wednesday 20th June 2018

The Mercure Hotel, Goulburn

Conference MC: Di Martin	
Time	Topic/Presenter
8:00 – 8:40	Registration – Tea and coffee on arrival
Session 1	
8:45 – 9:15	Welcome <i>Richard Keniry, MerinoLink Limited Chair</i>
9:15 – 9:45	QPLU\$ Revived; Merino Breeding Fundamentals <i>Dr Kevin Atkins, former Principal Research Scientist</i> “It is only 20-30 years. I know I am old but...”. Kevin will be revisiting the QPLU\$ Project; What it set out to do; What was achieved; Is this work still relevant today?
9:45 – 10:15	What are ASBV's good At? A Journey from Raw Data to ASVBs – A Practical Approach <i>Mark Mortimer, Centre Plus, Tullamore NSW</i> Mark will take us on a journey from raw data to Australian Sheep Breeding Values (ASBV's) to life time performance.
10:15 – 10:45	The Genetic Program in Action on Farm <i>David Vandenberghe, Wattle Dale Merinos, Scadden, WA</i> Dave's seven-year journey to DNA full pedigree. What worked well? What is the focus now? Tips and tricks for producers entering this space.
10:45 – 11:30	Morning tea
Session 2	
11:30 - 12:00pm	Driving Adoption in Genetics <i>David Packer, Adoption Manager – Genetics, Meat & Livestock Australia</i> Dave will outline MLA's genetics program, including the National Livestock Genetics Consortium's role in guiding priority research, development and adoption programs. Where the UNE/MerinoLink DNA Stimulation Project fits in and opportunities for producers to get involved with MLA programs.
12:00pm – 1:00pm	The Hour of Power- Sponsored by T. A. Field Estates Encouraging Young Researchers and Industry Innovators <i>5-minute presentations from up and coming industry visionaries</i>
12:00pm – 12:05pm	Kate McCarthy (<i>Charles Sturt University, NSW</i>) The effect of supplementing HyD [®] on bone turnover in lambs
12:05pm – 12:10pm	Octavia Kelly (<i>University of Adelaide, SA</i>) Wool cortisone & cortisol (Hydrocortisone) concentration
12:10pm – 12:15pm	Emma Turner (<i>University of New England, NSW</i>) Implementation of shorter shearing intervals in Ivanhoe NSW: a comparison project between 6 monthly and 12 monthly shearing
12:15pm – 12:20pm	Forough Ataollahi (<i>Charles Sturt University, NSW</i>) Effects of maternal supplementation with calcium and magnesium on general health and immunity of ewes and their lambs

12:20pm – 12:25pm	Elise Bowen (<i>Murdoch University, WA</i>) Accelerating genetic gain through utilisation of genetic technologies
12:30pm – 12:35pm	Dione Howard (<i>Charles Sturt University, NSW</i>) The endless opportunities available in the sheep and wool industry
12:35pm – 12:40pm	Heather Earney (<i>Charles Sturt University, NSW</i>) Potential benefits of internal pelvimetry for lamb survival in Merino ewes
12:40pm – 12:45pm	Rachael Gawne (<i>2017 Peter Westblade Scholar</i>) The Peter Westblade Scholarship Experience
12:45pm – 12:55pm	Will MacSmith (<i>Corroboree Merinos, Borenore NSW</i>) Improving efficiency across the board, relying on trial work at a commercial level instead of gut feel. Combining the whole package – genetics and feed efficiency.
1:00pm – 2:00pm	Lunch
Session 3	
2:00pm – 2:30pm	Moving to a Non-Mulesing Enterprise <i>Geoff Lindon, Program Manager Genetics & Animal Welfare Advocacy, Australian Wool Innovation</i> Geoff will provide a summary of how 40 Merino businesses have moved to non-mulesed Merino enterprises; production benefits; wool market; what can and is AWI doing.
2:30pm – 3:00pm	Product Quality Down the Wool Value Chain <i>Steven Read, Mitchell Wool Pty Ltd, Adelaide</i> Steven will outline what the range of characteristics are for the distinct categories of wool products and markets. Do we need to set up grower-to-mill alliances / networks? How hard is this from a Grower's perspective?
3:00pm – 3:30pm	What are the productivity trade offs for Merino flocks? <i>Dr John Web-Ware, Mackinnon Project, Melbourne University</i> John will explore the trade- offs for Merino breeders chasing the dual-purpose sheep, can we have it all? Is the number of lambs weaned everything?
3:30pm – 4:30pm	Panel of Speakers- Q & A with all speakers
4:30pm	Conference Close - Afternoon tea

6:30pm	Canapes from 6:30pm in the bar	
7:30pm	Conference Dinner Venue – Mercure Motel, Goulburn NSW Dinner Speaker – Lynne Strong, Clover Hill Dairies & National Program Director Art4Agriculture <i>'A shared vision is a critical component of a successful partnership. Vision is what guides where a business is going and how it will get there; it is the plan and the path for the future. A shared vision allows partners to reconcile their goals and their methods for achieving those goals. Without a shared vision partners usually find themselves pulling in different directions.'</i>	

2018 MerinoLink Conference Field Day Program

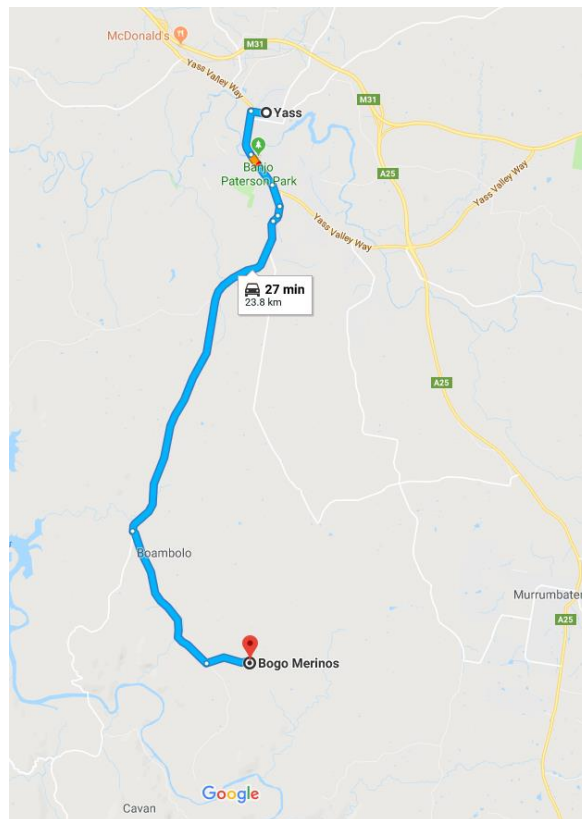

Thursday 21st June 2018

"Ravenswood", Cavan Station, Yass NSW 2582

BBQ lunch available (sponsored by Landmark Yass)

Bookings essential

Directions: from Yass take the Wee Jasper Road toward Boambolo. Turn left onto the Boambolo Road and follow for 5.5km. Turn left at the Bogo Merino's sign and follow to the end.

MerinoLink Field Day Program – 21st June 2018			
9:30am - 10:00am	Registration, Tea / Coffee on arrival		
10:00am – 10:20am	Welcome <i>Richard Keniry, MerinoLink Chair, Mal Peake, Bogo Merinos</i> Introduction and welcome to the Field Day		
10:20am - 10:50am	Sire Evaluation Overview <i>Sally Martin, CEO, MerinoLink Limited</i> What sire evaluation aims to achieve; understanding and interpreting the results; collaboration with the Monaro Farming Systems Group - <i>Sire Evaluation progeny will be penned in Sire Groups for viewing at Lunch.</i>		
10:50am – 11:20am	Historic Sires Project Results <i>Ben Swain, Executive Officer, Australian Merino Sire Evaluation Association</i> Over the past 5 years AMSEA has evaluated a range of Historic Sires that were widely used 15-20 years ago. Results from the project have now been finalised and show some interesting results of where the industry has come from and perhaps where it is heading.		
Concurrent Group Sessions (Each session will be run three times with smaller groups)			
11:20am - 12:00pm Session: 1	Group 1 to Station A	Group 2 to Station B	Group 3 to Station C
12:00pm – 1:00pm	Lunch - Sponsored by Landmark Yass Inspections of 2017 Sire Evaluation Progeny; Live drone demonstrations (weather permitting); Opportunity to talk to our Trade Display holders		
1:00pm – 1:40pm Session: 2	Group 1 to Station B	Group 2 to Station C	Group 3 to Station A
1:40pm – 2:20pm Session: 3	Group 1 to Station C	Group 2 to Station A	Group 3 to Station B
2:30pm	Evaluations / Close		

2017 Sire Evaluation Progeny on Display (16 Progeny Groups)	
Bundilla Poll (140055); Centre Plus (407185 & 307603); Hazeldean (13.4936, 11.3542 & 12.4030); GRASS (142000); Woodpark Poll (150106); Rocklyn (120182); Pooginook Poll (125188); Greendale (150018); Boudjah (Blue 516); Adina (DB 11-11); Nerstane (150076); Bogo (500300); Centre Plus WA (338205)	
Group Session Speakers	
Station A	Effective on-farm data collection for improving productivity <i>Rachael Gawne, Sally Martin Consulting Pty Ltd & Lu Hogan, Sheep CRC</i> How to achieve my breeding objective; What you could be collecting at a commercial breeder level; How to use this information to make your decisions; Flock Profile testing; RamSelect App -
Station B	Eye muscle and fat scanning demonstration <i>Trevor Pearce, Pearce Scanning & Mark Mortimer, Centre Plus</i> EMD/Fat scanning Demonstration; How is this information used in the Merino industry?
Station C	Practical animal assessments you could be doing on-farm <i>Megan Rogers, Sheep Connect NSW</i> Wet/drying your ewes; Condition scoring; When is the best time(s) to collect this information?

To Register

Registrations for the **2018 MerinoLink Conference, Conference Dinner and Conference Field Day** will be accepted through **TryBooking**. If you have any difficulties registering, please phone Rachael Gawne on 0428 212 801 or email merinolinklimited@gmail.com. TryBooking is a web facility designed to assist with organised events. A TryBooking charge of 30 cents per ticket will apply. Early Bird prices apply up to the **8th June 2018**.

To register for the **2018 MerinoLink Conference, Conference Dinner and/or the Conference Field Day** please [click here](#) or go to <https://www.trybooking.com/329726>

Early bird Ticket Prices – Up to 8th June 2018				
Ticket Categories	MerinoLink Member	Non-Member	Under 25s	^MFS & STFS Group
Conference Only	\$70	\$130	\$50	\$90
