

NORTH WEST

Local Land Services

The North West Beef Producers Forum

Tamworth - March 23, 2021

Join the North West Local Land Services agricultural extension team, together with Meat & Livestock Australia (MLA), for an action-packed one-day event bringing you the latest information, research and technology relating to beef production in the North West and surrounding region.

HIGHLIGHTS:

- industry trade fair
- leading industry speakers
- regionally-relevant information
- networking opportunities
- new technological trials

Are you a service provider or businesses who would like to participate in the industry trade fair that is run concurrently throughout the day? Get in touch!
