

GET INFORMED, GET REPROACTIVE

Dear Beef Producer

Please join us for an informative and open discussion.

Developed by Australia's leading vets, cattle specialists and rural business experts, ReproActive is an outstanding specialised training workshop series designed to help maximise the reproductive potential of herds. Each module will provide a wealth of knowledge to producers, resellers and veterinarians.

Through informative, highly-practical and interactive modules you'll learn:

- The significance and assessment of **Critical Mating Weights**
- How to plan and achieve shorter **Joining Periods** and
- The implications of **Condition Scoring** and the best corrective action to take
- **Bull Management and Assessment** for reproductive success

Leaving you equipped with the knowledge to better understand and improve your:

- Effective weaning processes and protocols
- Heifer growth targets
- Fertility, conception and calving rates
- Ability to effectively respond to challenging situations, and ultimately enhance
- Productivity and profitability of your herd
