**60<sup>TH</sup> ANNUAL CONFERENCE**

# THRIVING PASTURES

**Join us in Creswick for the Grassland Society of Southern Australia's  
60th Annual Conference.**

With the theme **Thriving Pastures**, the 60th annual conference will provide delegates with an in-depth look at grassland soils and subsoils; constraints that are often overlooked; and how to plan your farm to have pastures that are a resilient match for the ever-increasing climate variability of the future.

The program will deliver a range of informative speakers and research posters, as well as the popular trade displays. One of the highlights will be the acclaimed 'Bus Tour' that we anticipate will be educational, interactive and only a stone's throw from the conference venue.

**For the full conference program and further information,

**Wednesday 17 and Thursday 18 July 2019
