

WormBoss Sheep Worm Control Workshop

Wednesday 1 November 2017, Deepwater, NSW

- Reduce sheep deaths and production loss from worms
- Drench less
- Work smarter to work less
- Reduce the cost of worms

GIVE AWAYS! Two attendees will receive \$500 worth of drench each

Zolvix Plus/Tridectin, courtesy of Elanco and Virbac, *see eligibility below

RSVP essential by Friday 27 October

Contact: Deb Maxwell, deb@paraboss.com.au, 0437 524 163

Program

Morning sessions (8.30 am to 12.30 pm)

- The WormBoss program
- Low worm-risk paddocks
- New drench: The role for Zolvix Plus, by Elanco Animal Health

MORNING TEA PROVIDED BY ELANCO ANIMAL HEALTH

- Worms and liver fluke
- Worm egg counting
- Project participants' use of WormBoss

LUNCH PROVIDED BY VIRBAC

Afternoon sessions (12.30 pm to 3pm)

- Using the Barbervax vaccine (plus Q&A session after workshop) by Fiona Macarthur
- New drench: The role for Tridectin, by Terrance Loughlin, Virbac

The workshop is free, with morning tea and lunch supplied.

BYO chair and mug, but please RSVP in time.

*The giveaways are donated by **Virbac (Tridectin drench)** and **Elanco (Zolvix Plus drench)** to help ParaBoss attract local commercial sheep producers to the workshop. To be eligible you must be a commercial sheep producer (500+ sheep) from the Northern Tablelands and you must RSVP by 27 October and attend all the sessions at the workshop.
