

Northam, Friday 5 August 2022

Venue Muresk Institute, Muresk Road, Northam

Time 8.45am – 6.00pm

About MeatUp

MLA MeatUp Forums, first held in 2021, deliver the latest in red meat Research, Development and Adoption (RD&A) and are held throughout southern Australia. MeatUp Forums are designed by producers for beef, sheep and goat producers through the input of Regional Producer Working Groups.

This means the program is purposely designed to be relevant to the needs and interests of red meat producers in the local region that MeatUp is being held.

MeatUp Forums are an MLA initiative and delivered by Pinion Advisory.

Why should I attend MeatUp?

- Hear about the latest, locally relevant on-farm RD&A
- Hear from and network with leading producers, industry representatives, advisors and researchers
- Gain insights into tools and programs available as next steps to improve your business
- Identify opportunities to drive on-farm productivity and profitability

“MeatUp Forums give producers the tools they need to improve, but more importantly it generates the enthusiasm and the confidence to use them.”

David Stade, Katanning (Red Meat Producer)

Event features

- Key note speaker, Jason Trompf will discuss profitable livestock traits and look at how to be productive, but flexible in WA's challenging environment
- Answer the questions of 'when and how' for supplementation, calving intervention and ewe lamb mating
- Speakers include production focused veterinarians Anna Erikson, Courtenay Bombara, Enoch Bergman and Adrian Baker
- Producer Paul O'Meehan will share his insights into managing a business and staff on a growing family farm

Cost:

- MLA Member \$25 GST inc
- Non-member \$50 GST inc (includes researchers, Department staff, service providers and producers who are non-MLA members)

Muresk Accommodation:

- Accommodation available onsite, contact mureskbookings@dtwd.wa.gov.au
