Join us for the 2021 Cloncurry BeefUp forum and field day, delivered by Meat & Livestock Australia.

About BeefUp

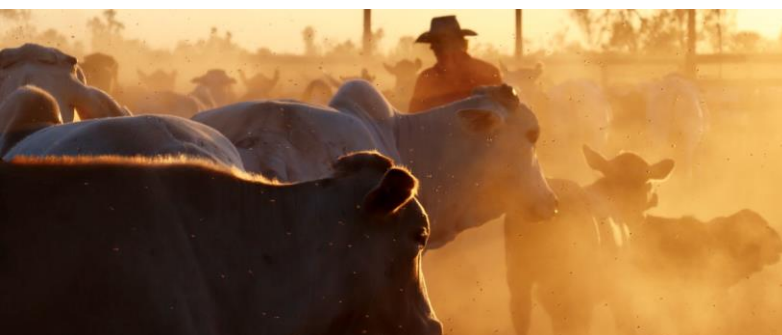

BeefUp forums provide an opportunity for northern Australian beef producers to learn about the latest on-farm research and technologies and meet others working in the red meat industry. Hear first-hand about the outcomes of MLA R&D and the next steps to drive profitability and productivity in your red meat business.

Why should I attend a BeefUp forum?

- hear about the latest red meat research, development and adoption programs with a whole-farm and value chain focus
- interact with expert speakers including leading producers, advisors and researchers
- access tools and insights tailored to your local area.

Event features

- RD&A and market update from MLA
- producers sharing practical, commercial insights
- interactive Q&A panel sessions addressing animal production, next generation and grazing land management
- afternoon paddock tour
- networking drinks and entertainment.

Cost: MLA members \$25. Non members \$50. **RSVP:** Friday 15 October 2021
Includes: Morning and afternoon teas, lunch, dinner.
