

KATHERINE - 7th & 8th October 2025

Discounted cost per producer \$500 + GST* (usually \$1,750)

*Discounted prices are possible thanks to support from KPCA and NTCA and funding from the Northern Hub.

Looking to build your business skills?

develop your financial knowledge and business understanding...

- + understand where your business is performing well and where it can be improved...
- + better understand how your decisions impact the bottom line of your business...
- + determine if your business can fund future growth, debt reduction, retirement and succession...
- + ensure everyone in your business is on the same page...

Join a group of like-minded producers at a Business EDGE workshop and equip yourself with improved business skills.

Access follow-up support to implement your learning when you get home.

What you'll learn

- ✓ What's driving profit in your business – and what's not
- ✓ How to set up your financial system to provide you with the information to help manage your business.
 - ✓ How to demystify your financial statements
- ✓ New infrastructure or equipment: which one will deliver the biggest bang for your buck?
- ✓ Funding for education, succession and retirement: how much is needed and what can your business fund?

More than 1700 producers have already
attended Business EDGE.

Here's what a few of them had to
say about it...

"Knowledge! Understanding!
We have the ability to create key
performance indicators with
information we already have
which creates a huge insight
into our business"

Georgie

"Good kick in the ass to stay
focused on key business KPIs"

Baden

"I will be able to make better
business decisions, armed by
data that will pay for the cost of
the course many times over."

Mel

"All the 1% changes across
beef business make maximum
\$ changes"

Nathan

"Increased knowledge to help
improve my business decisions"

Harry

The investment...

Discounted cost per producer \$500 + GST* (usually \$1,750)

**Discounted prices are possible thanks to support from KPCA and NTCA and funding from the Northern Hub.*
