

NLIS Database Workshop

AGRICULTURE VICTORIA

Dunkeld – 22nd June 2021

EVENT DETAILS

Agriculture Victoria is conducting hands-on workshops for producers using the National Livestock Identification System (NLIS) database.

Participants will learn how to update their Property Identification Code (PIC) details, complete a Property to Property (P2P) transfer and use the NLIS database.

Venue	Sterling Place 14 Sterling St, Dunkeld
Date	Tuesday 22 June 10 am–3 pm (Lunch provided)

TOPICS

- Victorian livestock traceability requirements and responsibilities
- Updating your Property Identification Code (PIC) details
- Completing National Vendor Declarations (NVDs)
- Setting up, navigating and using the NLIS database
- Completing Property to Property (P2P) transfers on the NLIS database.

REGISTRATION

Book your free tickets online at:
https://nlis_dunkeld.eventbrite.com.au

For more information, or if you have trouble registering, please call (03) 5761 1647.

Numbers are limited to allow for a hands-on practical session, so be quick to secure a spot!

Sessions include catering, so please provide dietary requirements at registration.

OTHER INFORMATION

- Please arrive from 9.30am to allow time to check-in and setup
- Bring along your own laptop, or computers can be provided on the day
- Participants are required to set up their NLIS account prior to attending the workshop, information will be provided at registration.
- This event will be conducted in accordance with our COVIDSafe Plan and under the activity directions of the Chief Health Officer.
