

## North West Beef Producers Forum 2023

It's on again! North West LLS, and Meat and Livestock Australia are pleased to bring you the 5<sup>th</sup> annual North West Beef Producers Forum. We have a great line up of speakers locked in who will present on topics relevant to improving the efficiency and profitability of your beef enterprise, as well as showcasing some of the latest livestock tools and technology currently available to beef producers.

- CIBO Labs Feed Monitoring Database
- Feed Efficiency & Beef Production
- Animal Biosecurity - FMD & LSD
- Utilising Breedobject & \$indexes
- Black Box Co
- LLS Livestock Projects Update
- Beef Nutrition for Winter

Our industry trade fair will also be running concurrently throughout the day!
