---

Join us for the Goondiwindi BeefUp forum to hear about the latest in local and world-leading research and technologies for the northern beef industry.

- Gain insights on improving livestock, land and business performance.
- Connect with other producers, advisors and researchers.
- Hear about how new practices and technologies are being used on-farm in your region.
- Find out about the programs, tools and resources available to you.

### ***The Goondiwindi BeefUp features:***

- A market update from MLA.
  - Expert speakers on mixed species plantings and legumes.
  - Producers sharing practical insights on pasture improvement.
  - An interactive panel session on understanding carbon.
  - The latest in genetics R&D.
  - Networking drinks and dinner with a butchery demonstration.
-
